## ***mediaBrew Announces “Greatest Games Series”***

### **Local Radio Coverage of Archived Marquette, Negaunee and Ishpeming Broadcasts**

Marquette, MI - Live high school football may be sidelined for the autumn of 2020, but it will still be a part of Friday nights for fans in Upper Michigan this fall.

Marquette based mediaBrew Communications has reached back into its radio broadcast archive to bring fans 9 weeks of the greatest games for Marquette, Ishpeming and Negaunee dating back as far as 2008. Marquette airing on 103.3 WFXD, Ishpeming on 98.3 WRUP and Negaunee on Sunny 101.9,

“We saw a need for sports this fall” said mediaBrew’s Market Manager Mark Evans. “We’re in an era where sometimes you have to think crazy thoughts, and this crazy idea turned out to make a lot of sense to us. The soundtrack to a Friday night at camp, or out driving around is high school football. This way people have that comfort food, and they can also listen to some great memories as there won’t be a loss, or a bad game on the air for almost three months on Friday nights”

The “Greatest Games” will run Friday nights starting at 7:00PM starting August 28<sup>th</sup>, which for many schools was to be the 2020 opener, ending on Friday October 23<sup>rd</sup>. Broadcasts include State Championships, come-from-behind thrillers, rivalries, walk-off wins and more

“It’ll be a lot of fun as we’ve had different announcing teams over the years here at our stations, bringing back those voices will be really cool for people” Evans added. “Several of those people were recognized for excellence by The Michigan Association of Broadcasters, so you’ll hear some great quality too.”

“We are looking at perhaps a mock playoff after that. But for starters we’ll do 27 awesome games combined from the three schools we cover. It’ll be fun to look back at the 2020 broadcast year and be 27 – 0 for football!”

The broadcast schedule for each week, station, games covered, when they originally aired and their final scores are as follows:

### **Week 1 – Friday August 28, 2020**
